

The CLA Coupé and Shooting Brake

Price List as of 1st January to 31st March 2023

Mercedes-Benz

Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at www.mercedes-benz.ie

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

CLA

Technology

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Multi-gesture touchpad control

Voice control

- Activated by the keywords "Hey Mercedes", the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say "I feel cold" and MBUX will adjust the temperature for you

Personalisation

- Turn the CLA into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

Stay connected any time, anywhere.

Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your cars oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes Me

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1.5 km radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at <https://www.mercedes-benz.ie/passengercars/being-an-owner/mercedes-me-connect.html>

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Images shown are for illustration purposes only

CLA

Plug-in Hybrid

Plug-in Hybrid Electric Vehicle (PHEV) The CLA 250 e.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

CLA 250 e

Petrol – 1,332 cc, 4-cylinder, 160 hp/118 kW
Electric motor – 102 hp/75 kW

Available as:

Progressive & AMG Line

Standard equipment

Premium Package consisting of Ambient-lighting, Armrest in Rear, Digital Instrument Cluster, Illuminated Door Sills, Mirror Package, Hard-disc Navigation, THERMOTRONIC & Smartphone Integration

Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 30 kph, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds

Charging cable – Mode 2 cable (5 meters, straight), 3-pin plug, for household sockets up to 2.3 kW

Charging cable – Mode 3 cable (4 meters, straight) for wallbox and public charging stations

Charging socket

Charging system – AC charging system rated at 7.4kW

Comfort suspension

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services

Technical details

Equivalent All-Electric Range (EAER)¹

AC charging time, 10–100%²

Coupé 71 km; Shooting Brake 68 km

5 hrs 30 mins at a domestic socket³

1 hr 45 min / 3 hrs 15 mins at a wallbox

Range power consumption, combined^{1,4}

Coupé: 15.2–14.7 kWh/100 km

Shooting Brake: 15.5–14.8 kWh/100 km

Battery type (usable)

lithium-ion (10.6 kWh)

Capacity on-board charger

7.4kW

1. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. 2. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase). 3. If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord. 4. The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency.

CLA Model lines overview

Progressive Coupé

Progressive Shooting Brake

CLA Model lines overview

AMG Line Coupé

AMG Line Shooting Brake

Option shown Iridium Silver Metallic.

CLA Progressive Coupé & Shooting Brake

Engine, Transmission and Suspension

Cruise Control with Limiter

DYNAMIC SELECT with a choice of driving modes: Eco, Comfort, Sport and Individual

Exterior

18-inch multi-spoke light-alloy wheels painted in himalayas grey and with a high-sheen finish,

Chrome weather strip

EASY-PACK power tailgate (Shooting Brake Only)

LED High Performance headlamps with integrated LED daytime running lights

Interior

180° Reversing Camera inc. Parking package with parking guidelines, 180° view, front and rear sensors

Air conditioning – THERMATIC single-zone climate control

Comfort seats – ensure good long-distance comfort; extensively adjustable for length, height and seat surface angle

Heated front seats with three settings

KEYLESS-GO starting function

Luggage nets on driver and front-passenger backrests

Multifunction sports steering wheel in leather, black topstitching and black bezel

Speed-sensitive power steering

Communications, Safety and Assistance Systems

7-inch digital instrument display; 10.25-inch High Resolution Media Display

Active Brake Assist – forward collision warning system with autonomous braking intervention

Active Lane Keeping Assist – warns you by means of steering wheel vibrations if you inadvertently drive over road markings. The system can also intervene actively by means of one-sided braking

ATTENTION ASSIST – monitors steering behaviour and can help alert you to long journey fatigue

MBUX multimedia system including "Hey Mercedes" and DAB digital radio

Speed Limit Assist – detects the speed limit and displays it in the instrument cluster

Touchpad

USB interface in oddments tray and two USB (type C) interfaces in centre console

Trim and Upholstery

ARTICO leather, black / anthracite (101A)

Trim – Carbon-fibre-look (H59)

CLA AMG Line Coupé & Shooting Brake

Option shown Iridium Silver Metallic.

In addition to/replacement of Progressive Exterior

- Speed Limit Assist
- Stowage compartment in centre console with retractable cover
- Sun visor with illuminated vanity mirror
- THERMATIC automatic climate control
- Touchpad
- Velour floor mats
- Windscreen wipers with rain sensor

Advanced Plus Package

From¹ €2,209

- **Armrest in rear compartment:**

With the armrest in the rear you can provide your passengers with a particularly relaxed seating position. Their ride comfort is also enhanced thanks to two integral cup holders for drinks.

- **Ambient Lighting in 64 Colours:**

Showcase the interior according to your personal preferences or current mood. The 64 colours of the ambient lighting create fascinating colour schemes, for example in the illuminated air vents, doors or the dashboard.

- **Digital Instrument Display (10.25-inch):**

You experience the entire range of digital display possibilities. The large, high-resolution 10.25-inch display is individually configured by you – for example in the classic form, with the speedometer on the left and the rev counter on the right. Visually impressive and easy to read: travel and driving assistance information is superimposed using the full display area.

- **Mirror package:**

You can fold in the exterior mirrors electrically and thus make your car slimmer at the press of a button. Small parking spaces suddenly become big enough. Importantly, this also protects you from annoying damage. The driver's exterior mirror and the rear-view mirror are also able to register headlamp dazzle from the rear and dim automatically.

- **Wireless Phone Charging:**

Driving time becomes charging time – just drop your smartphone into its allotted place in the oddments tray for wireless charging. Irrespective of the model and brand, compatible smartphones are charged wirelessly.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Package

From¹ €6,018

(Standard Equipment for PHEV models)

In addition to/replacement of Advanced Plus Package components

- Advanced Sound System with 10 speakers and a total system output of 225 watts

- **Illuminated Door Sills:**

Even getting in and out becomes an experience in itself. As part of this, the high-quality stainless steel sill panels are illuminated with "Mercedes-Benz" lettering.

- **Hard-disc Navigation including Navigation Connectivity Package:**

Save time thanks to fast hard-disc navigation with flexible options for entries via touch control or voice input

- **KEYLESS GO:**

High entry and loading comfort for your everyday motoring: with the KEYLESS-GO Convenience Package you can open or lock your vehicle by simply touching the door handle.

- **MBUX Augmented Reality:**

This technology incorporates graphic navigation instructions and traffic information into live images. You can reach your destination quickly, safely and stress-free.

- **THERMOTRONIC:**

The THERMOTRONIC controls the individual temperature in two zones. The activated charcoal filter works very efficiently, and as well as particulate matter it also eliminates harmful substances and unpleasant odours. Your health will thank you for it.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Plus Package

From¹ €10,741

In addition to/replacement of Premium Package components

- **Electric Driver & Passenger Seat with Memory Function**

With the memory function, you can store and conveniently select up to 3 different seat positions. You can very easily readjust the seat electrically.

- **Head-up Display**

Ideal prospects for sporty driving fun and a superior driving experience: the head-up display transforms your windscreen into an exciting digital cockpit. This means you always have a direct view of key information. Your full attention remains on the road and the traffic conditions in front of you

- **MBUX Interior-Assist:**

Enjoy contactless ease of operation: this innovative system detects and interprets your hand and arm movements. This means you can activate selected functions in a matter of seconds. The system is able to differentiate between driver and front passenger – so that you reach precisely the menus you wish to use.

- **Parking Package with 360-degree camera:**

Park with peace of mind. The all-round visibility thanks to the 360 degree camera including a virtual birds-eye view is particularly impressive.

- **MULTIBEAM LED Headlights:**

For your perfect vision: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. And the cornering light and active light functions illuminate the field of vision optimally so that you can detect dangers sooner.

- **Surround Lighting with Projection of Brand Logo:**

An attractive eye-catching feature in dark surroundings. The additional light also makes it more convenient for you when getting in and out.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Night Package

From¹ €868

The Night Package adds further attractive features. With the aesthetic highlights on the exterior your car reinforces its sportiness and individuality. Numerous elements are finished in high-gloss black.

Components of the Night package:

- 18-inch AMG 5-spoke light-alloy wheels, aerodynamically optimised, painted in black with a high-sheen finish (AMG Line).
- 18-inch 5-spoke light-alloy wheels, painted in high-gloss black with a high-sheen finish (Progressive)
- Beltline trim strip and window line trim in high-gloss black
- Exterior mirror housings in high-gloss black
- Front splitter with insert in high-gloss black
- Heat-insulating dark-tinted glass starting from the B-pillar
- Rear apron with trim strip in high-gloss black plus diffuser insert in high-gloss black
- Single louvre in the radiator grille in high-gloss black

¹Figures according to Directive 80/1269/EEC in the currently applicable version. ²The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. ³The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency. ⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase). ⁵If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

Technical data Coupé

Model	CLA 180	CLA 200	CLA 250	CLA 250 e	Mercedes-AMG CLA 35 4MATIC	Mercedes-AMG CLA 45 S 4MATIC+	CLA 220 d

Turning circle	m	11.10	11.10	11.10	11.10	11.54	11.62
Fuel consumption^{8,9,10}							
Combined (consumption dependent on chosen optional equipment)	l/100 km	6.1	6.2–6.1	6.8	6.4–6.3	8.5–8.1	8.9–8.8

6.Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values. 8. All figures are based on a standard specification with the smallest tyre size. 9.The choice of wheels and transmission may affect CO₂ emissions and corresponding VRT Rate.10. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland.

Mercedes me

Welcome to your Mercedes-Benz world.

Imagine if ...you could connect with your Mercedes-Benz? With Mercedes me connect, you can! Mercedes me connect offers you new connectivity services that make driving more comfortable and incorporates your car into your personal lifestyle.

Standard Services

- Maintenance Management
- Telediagnostics
- Breakdown Management
- Accident Recovery
- Mercedes-Benz Emergency Call System

Remote Online Services¹

- Remote Retrieval of Vehicle Status (fuel level, tyre pressure etc.)
- Parked Vehicle Locator
- Vehicle Tracker
- Geofencing
- Door lock / unlock function

Getting connected is easy. Just set up your Mercedes me account and get in touch with your Mercedes-Benz dealer to connect your vehicle to your profile to access your Mercedes me connect services.

Contact your dealer to get connected, or go to www.mercedes.me for more details.

¹ Can be used with Remote Online special feature.
